Computer Science Sessional Instructor

Since 1936 Columbia College has offered quality educational programs designed to prepare students for university admission. These programs include a University Transfer Program that is fully integrated into the BC Transfer System, a Secondary Program that is Certified by the Province of British Columbia, and a full-time Academic Preparatory English Program that is accredited by Languages Canada. Thousands of students, both Canadian and international, have progressed through Columbia’s programs to successful Canadian universities.

Columbia College is looking for a Computer Science Sessional Instructor to teach during the second half of the summer semester the following courses:

- **Computer Science 165 (16)** – Introduction to the Internet and the World Wide Web (Mondays and Thursdays from 16:00pm to 18:00pm. Wednesdays from 16:00pm to 17:00pm).
- **Computer Science 101 (17)** – Connecting with Computer Science (Tuesdays and Fridays from 16:00pm to 18:00pm. Wednesdays from 17:00pm to 18:00pm).

Our ideal candidate must have:

- Master degree in Computer Science.
- Experience teaching Computer Science at another post-secondary institution and to a diverse student.
- Demonstrated success in innovative or student-centered teaching techniques.
- Excellent interpersonal skills.
- Experience in teaching a diverse student body.

This part-time sessional position **will commence June 25th and will end August 2018.**

We offer an attractive compensation: $4,393.60 per half course for a Master’s degree holder and $4,903.93 per half course for a PhD holder.

Please submit a cover letter and resume consolidated into one PDF or Word document. Applications should be saved under the first and last name and sent to careers@columbiacollege.ca
Application Deadline: April 30\textsuperscript{th}, 2018

We thank all applicants for their interest in the position, only those selected for an interview will be contacted.
