Computer Science Sessional Instructors – Winter Semester

About:

Since 1936 Columbia College has offered quality educational programs designed to prepare students for university admission. These programs include a university transfer program fully integrated into the BC Transfer System, a secondary program certified by the Province of British Columbia, and a full-time Academic Preparatory English Program accredited by Languages Canada. Thousands of Canadian and international students have progressed through Columbia’s programs to successful Canadian universities.

The Opportunity:

Columbia College is looking for Sessional Computer Science Instructors to teach in our University Transfer and University Prep Courses during the Winter semester.

These part-time sessional positions will commence in January 2022 and will end in April 2022.

Key Responsibilities:

Instructors' primary responsibilities include the planning, teaching, marking and grading of the appointed course/s.

Ideal Candidates:

- Master’s degree in Computer Science
- Face to face and online experience teaching Computer Science at another post-secondary institution.
- Excellent expertise with Learning Management Systems (Knowledge and experience with Moodle is an asset)
- Demonstrated success in innovative or student-centered teaching techniques.
- Excellent interpersonal skills.
- Experience in teaching a diverse student body.
Salary:

We offer a competitive compensation. For example, for a course with five contact hours and 2 office hours, we offer $9,347.81 for a Master’s degree holder and $10,433.58 for a Ph.D. holder. The course compensation is linked to teaching hours.

How to Apply:

Please submit your application, including cover letter and resume, through our portal https://www.myavanti.ca/CareersAtColumbiaCollege/

Please note that filling out the entire profile is not mandatory in order to upload the required resume and cover letter on the platform.

Application Deadline: November 19, 2021

At Columbia College, we foster a culture of equity, diversity and inclusion. The College invites and encourages applications from all qualified individuals, including from groups that are traditionally underrepresented in employment, who may contribute to the further diversification of our Institution.

We thank all applicants for their interest in the position; only those selected for an interview will be contacted.
